

Dream Internship - Australia

The first & only customised internship & mentoring program available world wide

Join our Ambassador Program to earn your fees back & generate some serious profits!

All you have to do is refer students to do a Dream Internship. Once they sign up, you get paid. You can help them sign up by telling them your **success story** and explain our different packages to them.

We run a **2 hour workshop** where we go through everything, and provide you with a sales coach available to assist you in discovering ways to increase numbers and get paid faster.

You can make a decent income this way, as you **earn \$150 for each student** you refer that end up signing up to a program.

10 students mean \$1500 for you, and if you do 10 students within 6 months, we buy you a surprise gift and you win an award for Dream Intern of the year. We announce the winners in January and July. **There are no limits to how much you can earn!**

Benefits include; a broader network, sales skills, leadership image, money, and fun!

“I referred interns from around the world to DIA for 6 months. Most of them were from the US or located in Sydney. At the end, DIA sent me skydiving with one of my mentors, which was amazing! I still refer students to DIA and also work in management in the US.” - Erika

“I did a dream internship in 2009 and have referred many of my friends to DIA. I love connecting my friends to fun experiences and interning in Sydney was awesome!” Heather

“My internship lead to a job, so I told all my friends about it and they signed up too. I did not know I would get paid for it at first so it was great when they called me and said I had earned \$600. This got me really excited so I put posters up everywhere and contacted students online. I now refer students from India and online.” - Ashish

I wish to become an ambassador for DIA which involves referring students to sign up for internships. I agree to do the training course provided to make sure I understand how I can best represent the company. I understand that I will be paid \$150 for each student that signs up for an internship. Please make me an ambassador today.
